

This year, the Southland Ski Club are offering children and adults Southland Ski Club Hoodies and Jackets. This is optional.

To try these hoodies and jackets on, you can visit UniformNZ at the Invercargill Airport, 82 Airport Avenue. These hoodies are similar to other sports hoodies you may already have. For an average 10yr old, I would get a size 12 Hoodie to be on the safe side. The Jackets are only adults sizes however they size from XS – 5XL. If you are unable to try a sample on, we will not be accountable for an incorrect sized hoodie or jacket.
