CORRESPONDENCE TO THE SECRETARY, P.O. BOX 952, INVERCARGILL

26th June 2020, Southland Ski Club Members, The Camerons aiming to be the first on the lift for opening day.....

Kia ora Koutou, Greetings from The Lodge

The 2020 ski season has got off to a bumper start at Coronet Peak and The Remarkables. As many of you will have read, the school holidays have seen huge crowds enjoying the early winter snow!

A particular highlight was seeing four of the Cameron family on the first chair lift of the 2020 season at Coronet Peak! Having to spend the night before, in their sleeping bags, on a mattress of snow, at the front of the queue, was all part of the fun!

Southland Ski Club Members Return!

The SSC Lodge has seen a number of family member groups staying over the school holiday break. Young and older club members have enjoyed some fantastic skiing and boarding, along with the great social atmosphere in the lodge.

"Such a great atmosphere at the lodge! Kids are all getting on so well and all skiing together. G built up a lot more confidence this week and got her much needed girlfriend time. So many games were played together; just fantastic! Lucky to have such a cool ski family ."

Social Media

Regular posts on Instagram and Facebook mean you can keep up with happenings at the lodge and on the slopes 'Southlandskiclubinc'. We'll look at using this facility to let members know how many vacancies there are at weekends that are not already fully booked. You can also view availability in our website calendar www.southlandskiclub.org.nz

Parking

Please be aware that if you find yourself in a traffic queue when coming up the mountain, you will be required to wait and park as directed by staff. At the end of the day, you will then be able to return to your vehicle and come and unload as usual at the lodge.

Chains

If stipulated, please ensure chains are carried. Feel free to discuss with Southland Ski Club Members, William Egan or Aaron Crossan the importance of carrying chains when necessary. The consequence of not carrying chains can cause a major inconvenience.

Southland Ski Club Hoodies Order

We are offering Southland Ski Club Hoodies to children and adults for 2020. These hoodies are a different colour to last year, an electric blue rather than the black.

To try these hoodies on, you can visit UniformNZ at the Invercargill Airport, 82 Airport Avenue.

Children's sizes 6 - 14

Adults S - 5XL

These hoodies are similar to other sports hoodies you may already have. For an average 10yr old, I would get a size 12 Hoodie to be on the safe side.

If you are unable to try a sample on, we will not be accountable for an incorrect sized hoodie.

Costs are:

Child - \$45

Adult - \$50

Extra \$10 if you'd like a name on the back of hoodie.

Please have orders in by Friday, 31st July and money in by Friday, 7th August to the Southland Ski Club Bank Acc No: 03-0931-0256645-00 with reference: Hoodies and surname.

To place order or any questions, email Nikki: nikandac@xtra.co.nz

New Bathrooms

Some of us can relate to this quote:

"I don't always make a fool of myself, but when I do it's usually right under the chair lift!"
