Dear Members,

*It is hard to think of skiing with this continuous hot weather! However, for now, check out the availability calendar to book your accommodation. Remember the weekends that are already booked, there is often a bunkroom left aside for families.*

*We would love to see some new faces at our next AGM in March with some fresh ideas and enthusiasm.*

*Sarah Kennedy, President*

## 2017 SKI WEEKS

Another two successful weeks of skiing was held in the July School Holidays of 2017. We received some great feedback;

*"We were very fortunate to have met and lived for a week with such a fantastic group of children and parents from Southland. It was great to see everybody develop their skiing skills over that time. The children on ski weeks were positive, active and helpful with the communal jobs. The parents that attended were friendly and welcoming to us....."*  
*"Thank you again for welcoming us to your club and allowing us to take part in your ski week. We developed our skills in the snow and made some great new friends".*

Ski Weeks will be held again these July 2018 School Holidays, so look out for dates and details in future newsletters and correspondence.

Thanks to Silver Ferns and Fonterra, very generous suppliers of lamb and cheese for our two Ski Weeks.

## PHOTOS OF SEPTEMBER 2017 SNOW DUMP

*View outside kitchen window looking down to Otago Ski Club, stunning!*

*View from main door, ski members skied down the hill from Goblers Hut to Southland Ski Lodge. People also skied back to their cars in Car Park 4, amazing!*
